240th Quartermaster Supply Company

STILL ROLLING!!

The Rock continues to roll!!! Soldiers of the 240th Quartermaster Supply Company have continued their professional and dedicated performance to the nation with its ability to begin getting the unit back to prime form. We are opening the boxes and brushing off all of the Iraqi dust and getting back to work. The soldiers haven't wasted a minute in getting prepared to do their duty if ever called upon again. There is no doubt that the company is very glad to be back in garrison and you can see it in their actions and work ethic day in a

Many of our soldiers were recognized recently at the 71st CSB Awards Ceremony for actions in Operation Iraqi Freedom. 5 Rock soldiers received Bronze Star Medals and several Rock soldiers were awarded the Army Commendation Medal. Congratulations to all the soldiers for their outstanding achievements. We also got a chance to recognize the outstanding work of our Family Readiness Group (FRG) Members.

240th soldiers being honored at the battalion awards c

Memorial Day weekend is quickly approaching! Our soldiers certainly deserve a fou weekends to unwind and relax away from work. We have been working very hard over th few weeks with maintenance. Get out and enjoy yourselves!!!! Please be sure to keep S in your plans for the weekend. This is our first break since the block leave period so I kn will be doing some traveling and barbequing. Have fun, but please be safe and take care another. SAFETY IS ALWAYS FIRST!!!!!!!!

FRG

We haven't had an FRG meeting in a while so it would be nice to all get together and tell stories of the well deserved leave period, eat some potluck, say hello, and get reacquainted. Our FRG has been the strongest in Mobil Repair, and I know that this will continue. Right now we are planning our next meeting for the 25th of May at 1800 at the CAC. Mark your calendars!!!
